## *Creating Classroom Success for Students with Down Syndrome*

Thursday, September 27, 2007

We are delighted to bring Susan Peoples to the Twin Cities for a workshop for educators (and parents). Ms. Peoples is founder of "Special Offspring". She is also parent of a child with Down syndrome, an educator for 28 years (B.S. in elementary education and post-graduate studies), clinician and author.

Ms. Peoples has spent a great deal of time the last ten years exploring, evaluating and designing curricular materials and methods to improve the educational experience of children with Down syndrome. Don't miss this wonderful opportunity.

Ms. Peoples has conducted her workshops for many Down syndrome organizations. She is also on the agenda for the upcoming National Down Syndrome Congress convention.
