Castings & Photo Shoots: What to expect

Potential models must be comfortable with and expect the following:

- Waiting patiently in a designated waiting area for periods of time
- Changing clothes in a private changing room if necessary
- Remaining relatively stationary for a seamstress on a shoot
- Remaining relatively stationary through hair and make-up on a shoot
- Taking photo direction such as where to stand or move and when to smile
- Not to touch surrounding sets unless directed
- The light of the camera flash
- *In order to make this experience as enjoyable as possible you may want to consider bringing any snacks or small comforts your child may want during the waiting period.
